

# Village Youth Theater Summer Theatre Arts Camp 2024

Finding Nemo, Camp 2023

## About Camp

The summer theatre arts camp at the Village Players is designed for students with all levels of ability and experience. Over the four-week session, campers will develop confidence and increase skills through hands-on experience and exploration. Activities emphasize characterization, blocking, vocal work and dancing.

Working with a creative team (director, music director, choreographer, technical manager), students rehearse and perform a major musical theatre production with full sets, costumes, lighting, and sound.

Camp is held daily at the playhouse of the Village Players. Campers entering the third through tenth grades in the fall of 2024 are eligible to attend.

Village Players has a rich history of excellence in entertainment, a legacy that continues to build upon through its youth programs .

## Artistic Team

Under the artistic direction of award-winning educator Mr. John W. Rutherford, the VYT team of working theatrical and educational professionals is dedicated to developing each camper's artistic skills and talents. For those with experience or those just starting out, our staff designs activities to meet and build upon each camper's skill level.
