

## MOM AUDITION CUT (with Laura, Lisa, and Addy)

LAURA

Here's your coat, Mom. Ready for you to unzip the bag!!

*Lisa begins to take pictures.*

*Laura takes Barb's hand in hers and together they unzip the garment bag and Barb smiles. Addy helps her stand while Laura and Lisa get the coat on her. They help her sit back in the wheelchair.*

LAURA

Mom – here are your wedding rings. I'm assuming you want your diamond too.

*Barb nods.*

LAURA

Now we may have an issue with your ring finger. Yes – it's that arthritic knuckle Mom. How about we try your right hand?

*Mom nods. Laura slips the rings onto Barb's right ring finger.*

LAURA

There you go. Do they feel tight?

*Mom shakes her head. Laura takes her mother's hand and holds it near her mom's lips.*

LAURA

A kiss for Dad?

*Mom nods.*

ADDY

Okay – I'm going to get the van warmed up. Come to the door when you're all ready

LAURA AND LISA

Thank you Addy!!!

*Addy exits.*

LISA

Here Mom. I have two hankies for you. I know it's a very bittersweet day - but everything will be wonderful and we're just so happy and grateful that we're all here together. WE LOVE YOU!

*Mom gestures and acknowledges with positivity.*

LAURA

So now all we have to do is get our dresses on –okay? We'll be right back.

*Lisa and Laura exit. Mom slowly uses her left hand to bring her right hand to her lips to kiss her rings again – and then brings her right hand to her heart. She smiles and breathes a deep sigh of contentment and peace.*
